10. Additional Information :

1. Whether Learning-outcome based curriculum framework (LOCF) adopted? If yes, details. : Yes

1.1 Name of Programme: UGC LOCF

1.3 Learning-outcome based curriculum framework (LOCF) :

The institution has adopted Learning Outcome based Curriculum Framework (LOCF) for all Under Graduate and Post Graduate Programmes and M.Phil. programmes offered by the institution. In our LOCF model, Graduate Attributes, Programme Educational Objectives, Programme Outcomes, Programme Specific Outcomes and Course Outcomes are articulated for all Under Graduate and Post Graduate academic programmes offered. Moreover, mapping between Course Outcomes and Programme Outcomes and Course Articulation Matrix are drafted and displayed.

Several learner centric pedagogies are being adopted by all departments. The curriculum for all programmes of study is well designed so as to provide well-structured and sequenced acquisition of knowledge and skills to the students.

Students have been motivated and trained to make use of e-learning resources through e-Learning Incubator. Industrial visit and internship opportunities are provided to the students. Assessment methods are so designed to assess the progress of students towards the Course Outcomes and Programme Outcomes.

Moreover the attainment of Programme Outcomes, Programme Specific Outcomes and course outcomes are evaluated periodically for all programmes

2. Whether curriculum is revised at regular intervals? If yes, period of curriculum revision: Yes

2.1 period of curriculum revision: 3 YEARS

3. Information Communication Technology (ICT) being used by the Deemed to be University for effective teaching learning:

All Departments are having good numbers of class rooms with ICT facilities such as LCD, Wifi, LMS etc.

The campus is provided with internet connectivity of bandwidth of 1Gbps. Further Studio and Lecture Capturing System are made available for course recording.

Institution level LMS (PR Tutor –Learning Management System) has been made into effect for selected courses offered by various departments using G-Academic suite through Google Classroom. Selected Course modules in various programmes are being delivered through online mode. The teaching involved flip-mode approach, wherein the course contents and relevant references have been supplied to the students well in advance and assistance have been offered in doubt clarification and problem solving. The regular attendance, quizzes and assignments have been duly conducted during face-to-face tele-interaction. E-content has been developed for several courses in each department.

Moreover Several faculty members are making use of ICT based learning tools such as Blogger, Prezi, Animoto, Quizlet etc. for course delivery, training and assessment as part of significant implementation of ICT for effective teaching and learning.

In fact, the Post Graduate Programme in Environmental Engineering has been conducted in blended mode for the students, with majority of pedagogical objectives attained online (with video-conferencing and supporting study materials, web-based assignments) and the complementary project- & field-based applications in the campus.

NMEICT (National Mission on Education through ICT), MHRD-sponsored Spoken Tutorial courses, conducted by IIT Bombay (e-outreach), through has been instrumental in providing practical and hands on experience on FOSSE (Free and Open Source Software in Education), thereby enabling scholars and researchers carry out their studies and investigation through FOSSEE, thereby freeing them the clutches of invasive proprietary software. As a remote centre of IITB, PRIST has been organizing several workshop for exposure and training of the students and staff, and subsequent gradual transition from proprietary software unto FOSSEE. Accordingly, during 2019-20, there have been several NMEICT-sponsored workshop on various FOSSEE in the campus, namely, Linux, R, Scilab, Python and Arduino.
