Alumni feedback

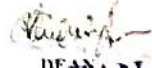

Action taken report 2022

**Alumni Feedback analysis**

We have taken all the feedback from our alumni with due consideration. Though they have shown their utmost regards and satisfaction with the Programmes that we have, there is no room for complacency. We have discussed it in departmental meeting at the IQAC and also with the Members of board of studies. We as teachers of department have taken the pledge to rise the bar for our students.

Feedback	Action Taken
More Exposure to field visits in curriculum.	Formal Instructions were circulated to all faculties in our Department.  All Faculties were Notified about the issues and they were encouraged to have more field visits as part of their curriculum.  Faculties paid more attention to have more field visits and thus gave exposure to students for field visits.
Evidence based Practical Demonstration.	Formal Instructions were circulated to all faculties in our Department.  Teachers paid more attention to give more attention for Evidence based Practical Education.

Minutes of Meeting of the Department Academic Council

Date: 10.6.2022

Members Present: All members were present

The meeting commenced at 10:00 am. HOD welcomed all the members. The Department Council also investigated the suggestions received from the feedback on the curriculum from the students, parents, alumni and teachers and decided to consider it for the next syllabus revision.

Further, the department council discussed and approved the following B. Tech and M. Tech courses to be added / modified in the next syllabus revisions. These newly added courses will help in building a significant employable workforce.

**1. To improve the skill development in Electrical and Electronics Engineering**

- 22153C32P Linear Integrated Circuits and Applications
- 22153L35P DC and AC Electrical Machines Laboratory
- 22153L45P Control and Instrumentation Laboratory

Employer	Employers provided the opinion that students are learning recent trends in Clinical research, Nanotechnology, Herbal Cosmetics in value added courses Suggested to conduct more work ethics related programs	New curriculum is more oriented towards industry topics. And soft skill courses are already included in curriculum.
Alumni	Alumni felt curriculum is industry relevant socially relevant and well structured. Wanted to give more training for competitive exams Wanted the management to start new innovative courses	No suggestion on programme structure. MCQs based assessments were conducted regularly for the students More innovative courses were introduced and proposal for new courses by all departments were encouraged.
Faculty	Faculty agreed the syllabus is relevant and adequate in terms of scope, depth and choice to help develop the required competencies amongst students. There should be more interdisciplinary courses to upgrade the content of the curriculum.	Introduced various interdisciplinary courses as electives in the new revised curriculum.

Minutes of Department Academic Committee meeting

The department academic committee meeting was held in the department of biotechnology on 28<sup>th</sup> April 2022 between 12:30 to 1:30 pm.

The Chairman of the council and the Head Dr.Arjun Pandiyan welcomed all the members of the Academic Council. He gave a detailed presentation on the activities of the college.

Detailed deliberations were made on the following points,

1. Revision of syllabus for UG and PG programmes

The committee carefully reviewed the curriculum in detail and proposed no changes in it. Staff. Dr.R.Arunkumar suggested that Fundamental of Biotechnology paper to be introduced to 1 year Bsc Biotechnology students. DR. C. ANUSHIA, based on the feedback which she received from students, proposed a new paper introduced in UG syllabus. DR. A. SHAJAHAN specified that syllabus revision should also be made in Pharmaceutical Biotechnology papers VI semester. Dr.JILLAMATHI suggested that syllabus revision should also be made in 1 year Bsc biotechnology, particularly allied Microbiology theory and practical I and II paper introduced in I and II semester, like that allied Biochemistry theory and practical I and II should be introduced in III and IV semester.

After these suggestion, the formal agenda of the meeting was taken up for discussion.

2. Laboratory (Additional lab experiments and Virtual Lab)
3. Course Outcomes and Program Outcomes

b. Attainment of COs, POs, PSOs with program effectiveness

4. Students Performance

- a. Result analysis
- b. Internship training
- c. Students participation in co-curricular and extra-curricular
- d. Student Project
- e. Publication with industry
- f. MoUs

5. Faculty contributions

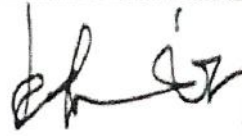

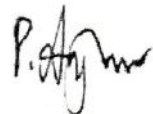

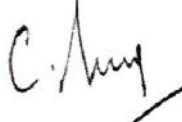

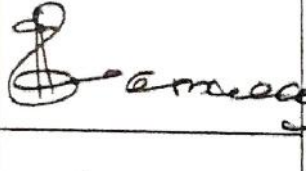

- a. Participation
- b. Publication-Conference/Journal/Book chapter
- c. Patent
- d. Research Proposals Activity leads to Quality improvements

All the staffs agreed to the point that, with regard to theory papers, the title can remain the same, but unit categorization and syllabus revision be done. With regard to practical syllabus, revision has to be done in UG and PG programmes.
