Employer	Employers provided the opinion that students are learning recent trends in Clinical research, Nanotechnology, Herbal Cosmetics in value added courses  Suggested to conduct more work ethics related programs	New curriculum is more oriented towards industry topics. And soft skill courses are already included in curriculum.
Alumni	Alumni felt curriculum is industry relevant socially relevant and well structured.  Wanted to give more training for competitive exams  Wanted the management to start new innovative courses	No suggestion on programme structure.  MCQs based assessments were conducted regularly for the students  More innovative courses were introduced and proposal for new courses by all departments were encouraged.
Faculty	Faculty agreed the syllabus is relevant and adequate in terms of scope, depth and choice to help develop the required competencies amongst students.  There should be more interdisciplinary courses to upgrade the content of the curriculum.	Introduced various interdisciplinary courses as electives in the new revised curriculum.

Action taken report

Summary of the feedback obtained

S.No	Feedback statement	Stakeholder	Action (Yes/No)
1	More number of industrial visits can be arranged	Alumni	yes
2	Syllabus content need to be reduced. The content is vast for some of the courses.	Students	Yes
3	Satisfied with the content of current syllabus. Yet cell signaling, Molecular basis of diseases, Macromolecular biosynthesis chapters can be identified and included in the syllabus.	Employer	yes
4	Q.techniques - tissue homogenization and cell disruption, cell counting and sorting, cell culture techniques, preservation of cell and tissues can be included. Assay of insulin by ELISA practical should be included in syllabus	Teacher	yes
4	Current edge technologies, industry based curriculum, to be added to curriculum and more soft skills are required	Teacher	

2. Action to be taken / Action taken on specific feedback

Feedback statement: More number of industrial visits can be arranged	Feedback Ref.No

## SCHOOL OF EDUCATION DEPARTMENT OF EDUCATION

### ACTION TAKEN REPORT ON FEEDBACK (2022 – 2023)

Action taken on feedback acts as a tool for develops an organization. It is a two-way dialogue which helps the institute or an organization to go further. Feedback allows the students to reflect on their learning; and provides opportunity to assess their skills and capabilities. The parents, teachers, alumni and employers also express their ideas on the existing pattern and offer suggestion to improve. It is with these ideas our school considers the importance of feedback from all stakeholders and takes effective action based on that

#### 1. STUDENTS FEEDBACK AND ACTION TAKEN

S.No	Feedback	Action Taken
1	Exposure to statistical software packages for analysis and interpretation of data was requested by post graduate students and research scholars	Workshops on latest statistical packages were organized to familiarize the students with the recent trends in data analysis
2	Exposure to writing of research project proposals was too trivial	Research convention was organized, where subject experts were invited to give suggestions regarding the project proposals presented by the students.
3	Need to get familiarize themselves with the latest in publishing field	The students were introduced to the concept of peer reviewing in journals and the advantages of publishing in top rated journals
4	Revamping of evaluation pattern for communication skills and soft skill courses was suggested	The evaluation pattern for communication and soft skill courses was revised to a more application oriented format
5	Sought guidance to prepare for Interviews –Aptitude Tests, Group Discussions and Personal Interviews	Domain based training programmes were arranged prior to the campus recruitment. Training on aptitude and logical reasoning is a compulsory process for the final year students, which helps them to succeed in the quantitative tests during the campus interviews.
6	Exposure to the Corporate world was felt to be at a bare minimum. The students expressed their inability to adapt to the school conditions during internship	Pre-internship programme was organized to make the students school ready. Trainings and meetings were organised to introduce and train the students on the etiquette to be followed and skill sets essential for endurance in the corporate world

DEAN,

School of Education  
PRIST Deemed to be University  
THANJAVUR - 613 403.

2	Arrange for lecture on topics needed for research	Significance and need for research was highlighted by organising lectures. Frequent lectures and talks by eminent people were arranged
3	Enhance employability skills of students, so that they can be placed in reputed companies through campus interviews	Introduced professional Certification Course for PG students, Value Added Courses for UG students
4	Interested in supporting various events conducted in the campus as resource persons	Participation of parents as resource persons in the conduct of functions, competitions, Seminars/ Conferences was encouraged
5	In addition to curricular aspects, parents' expressed the need to focus on the overall development of the student	Mentoring and honing individual potentials, vocational training, sharpening managerial acumen, exposure to special education and physical education has resulted in the intellectual, technical, social and emotional development of the students

#### 4.ALUMNAE FEEDBACK AND ACTION TAKEN

S.No	Feedback	Action Taken
1	Create a database of alumni to improve networking among the alumni and to enable better contribution to their almmater	Alumni database is updated annually to improve alumni networking and participation in institutional activitiesThe University contemplated to avail assistance of alumni by annual gatherings
2	Networking with alumni will be resourceful and will guide the students	Active interactions with alumni were carried to bring about constructive changes in the curriculum
3	Should include e-commerce, e-transactions and e-marketing for students' transactions. This will not only enhance the computing skills of students but also lead to better accountability and awareness among parents.	The University considered introducing e-commerce, e-transactions for students
4	Expressed a need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects	Mentoring was introduced through Mentor-Mentee meetings
5	Interested in initiating scholarships/ endowments to support their almmater.	Scholarships/endowments were introduced with contributions from alumnae. This will ensure their continuing relationship with the institution.

## 5. EMPLOYERS FEEDBACK AND ACTION TAKEN

S.No	Feedback	Action Taken
1	Suggestions to improve on the domain knowledge and technical skills by Core sector Students preparedness of interviews.	Mentoring and honing individual potentials, vocational training, sharpening managerial acumen, exposure to special education and physical education has resulted in the intellectual, technical, social and emotional development of the students.
	Recruiters from Education stated that the students are strong in their domain knowledge, however communication skills need improvement	Emphasis on spoken English was made in soft skills and communication skills classes.

The suggestions received through the feedback are promptly communicated to the members of various Boards of Studies and committees. Since the school has to follow the syllabus formulated by the university. But since many of our teachers are actively participating in the syllabus restructuring process, many effective.
