IAENG INTERNATIONAL ASSOCIATION OF ENGINEERS

Date: 26 September 2018

To Whom It May Concern:

Official Letter for the IAENG Membership

Member Name: Bakrudeen Ali Ahmed Abdul

Member Number: 217423

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>

If you have any question, you are very welcome to contact us at any time.

Best regards,

FROM BREAKING SHACKLES TO MAKING RECORDS

Mr M Ponnaiyah Nageshwaran becomes the world's youngest Chancellor recognised by the World Book of Records for his milestone achievement.

At age 30, Ponnaiyah Nageshwaran, Chancellor, PRIST Deemed University broke records to become the world's youngest Chancellor. Widely known as an acclaimed educationist, he is looked upon for his administration skills which are par excellence. The recognition was preceded by his recent appointment to the acme of employment hierarchy at PRIST Deemed University—a premier University in South India based out of Thanjavur with campuses in Chennai, Puducherry, Trichy, Kumbakonam, and Madurai. The University caters to nearly 15,000 students. The recognition was acknowledged with a certificate issued by the World Book of Records.

An Alumnus of Ponnaiyah Ramajayam Institute of Science and Technology, Mr Nageshwaran holds a bachelor's degree in Engineering and an MBA Degree. Beginning his journey at PRIST Deemed University as a Management Trainee, he went on to become the Finance Secretary. Later in 2016, he took charge as Pro-Chancellor of the University and finally became the Chancellor in 2021.

His expertise in risk assessment, process optimisation, and lean management helped the University expand and come up with 3 new campuses. Mr Nageshwaran's achievement translated into numbers with almost a 100 per cent increase in the number of annual admissions since 2016. In the last 3 years, he has also increased the annual revenue through expenditure monitoring and applying lean management practices.

As the Chancellor, Mr Nageshwaran will focus on further expansion of the University. In his new role, he aims to take the University beyond Indian shores by signing strategic institutional collaborations and finalizing academic tie-ups with reputed higher educational institutions abroad. The process has already begun and he has recently concluded a successful academic collaboration with one of the premier

Universities from Malaysia to offer the latter's medical degrees in India through an 'off-shore campus' model.

With a modest beginning in 1985 as the Ram Institute of Computer Science and Technology, PRIST Deemed University has come a long way in its journey. Needless to say, the institute continued to grow by leaps and bounds under the visionary leadership of its founder, Prof Dr P. Marudanan, who remained the Chancellor of the University till his sad and sudden demise earlier this year. The Ram Institute received affiliation from Bharathidasan University to offer postgraduate diploma programmes in computer applications after three years of its establishment in 1988. The institute grew into a college—Ponnaiyah Ramajayam College—in 2004 and four years later in 2008, it obtained the status of a Deemed to be university.

PRIST Deemed University has been accredited by NAAC and offers Undergraduate and Postgraduate courses in agriculture, architecture, business management, commerce, education, engineering, health, law, management, medicine, science, and technology.
