MEMORANDUM OF UNDERSTANDING

between

PRIST UNIVERSITY

Vallam, Thanjavur – 613 403, TN, India

and

Indian Institute of Crop Processing Technology (IICPT)

Pudukkottai Road, Thanjavur – 613 005, TN, India

Ponnaiyah Ramajayam Institute of Science & Technology (PRIST) University (U/s 3 of the UGC Act, 1956) at Thanjavur, TN, India (hereafter referred to as “PRIST”) and Indian Institute of Crop Processing Technology (hereafter referred to as IICPT), a pioneer R & D institute under the Ministry of Food Processing Industries, Government of India, with the objective of promoting cooperation in the fields of education and academic research agree to conclude the following aspects.

By signing this Memorandum, both parties hereby confirm their intention to collaborate or conduct the following activities which are of mutual values:

- 1) Short-term exchanges of faculty, students and staff for purposes of teaching and research;
- 2) Coordination of joint research, lectures and training;
- 3) Development of mutually beneficial academic programs, courses and distance learning facilities; and
- 4) Exchange of documentation and research materials in fields of mutual interest provided that, to the best knowledge of the respective institutions, there is no prohibition at law or otherwise against the exchange;

These two parties shall cooperate under this Memorandum when it is signed by the official representatives of the institutions/organization for a period of **five years** with the understanding that it can be terminated by either party with three months' notice, unless an earlier termination is mutually agreed upon.

Both institutions recognize that collaborative efforts will be of mutual benefit and will contribute for cooperation in research and extension activities.

All specific projects to which this Memorandum of Agreement may lead shall be evaluated on a regular basis by the designated authorities of both institutions. There will not be any financial commitment between the partner institutions and any cost of exchange of faculty and students have to be met by the individual / originations of origin. For conditions of the linkages and terms of agreement not covered by this memorandum of agreement or for problems which arise while the exchange arrangement is in effect, both parties agree to refrain from unilateral action, to consult with each other and to negotiate mutually agreeable decisions.

PREAMBLE

PRIST Deemed to be University is one of the reputed University in India. It has achieved global identity through its involvement in research in recent technology and successful completion of projects and products. The University is an ISO Certified, AICTE Approved and NAAC accredited institution is known for its rich tradition and high values bestowed upon by its Chairman. PRIST is equipped with world class infrastructure and highly qualified and experienced faculty

Evershine institute of testing and training is one of the leading Non destructive testing Solution providers in India. Evershine institute of testing and training unit that has been providing Hands on training and Value added courses for Universities, Colleges, Educational Institutions, Industries and Corporates. We have successfully trained over 3,500 candidates in India and have training partnerships with over 40 colleges in Tamilnadu. Our mission is to help every individual and organization to make a benchmark in the field of Non destructive test and material characterization technique. The vision of the organization is to make an individual become technically sound in both destructive and Non destructive Material testing domain by providing world class training.

PRIST Deemed to be University and Evershine institute of testing and training, believe that close co-operation between an industry and a technical institution would be of considerable mutual benefit. The budding engineers from a technical institution could play a key role in technological up-gradation, innovation and competitiveness of an industry. Evershine institute of testing and training can give valuable inputs to the institution with respect to customize the curriculum as well as in the teaching/ training methodology so that students become industry ready. By appreciating the importance of co-operation and coordination of industries and institutions, both Evershine institute of testing and training and PRIST execute this Memorandum of understanding to carry out joint work whose scope is outlined below

Scope of Evershine institute of testing and training

- Research and Development works proposed by Evershine institute of testing and training without hindering the day to day activities of PRIST University
- Provide NDT Testing Consultancy Service for Research Scholars at subsidized cost.
- Provide Internship program for students undergoing Add on Courses to PRIST University which has related with NDT.
- Contribute towards Curriculum Development of Mechanical Engineering course at PRIST University
- Provide faculty Enrichment Program (FEP) on NDT once in a year at free of cost during agreement period
- Provide resource person for Guest lecture program on NDT related topics at PRIST University
- Industrial Visits for the Students and Faculty
- Career Technical guidance and counseling

Scope of Ponnaiyah Ramajayam Institute of Science and Technology (PRIST)

- Infrastructure to be made available to conduct training and Seminar and lectures without causing detriment to their day to day activities
- To assign in bringing out documentation on the Projects and Research & Development Works, jointly developed by PRIST and Evershine institute of testing and training, Trichy.
- Evershine institute of testing and training, shall ensure that each candidate deputed for Projects in Evershine institute of testing and training, has proper credentials to execute the project work and also carries with him / her the details regarding his / her qualification and experience for verification at all times.

General Terms & Conditions

- This MOU has no financial implication on either side.
- This MOU will be valid for a **period of 03 years**. However, either party can terminate this MOU at any time if any of the stipulations are broken. A three month notice should be given by either party in case of termination.
- This MOU is applicable to **Conduct Workshop, National seminar , Faculty Enrichment program and Add on Course in PRIST**
- IN WITNESS WHERE OF THE UNDERSIGNED, duly authorized there to, have signed this Memorandum of understanding on **29.06.2018**

MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN SAKROBOTIX LAB, STARTUP CENTRE - IIT BHUBANESWAR PONNAIYAH RAMAJAYAM INSTITUTE OF SCIENCE AND TECHNOLOGY (PRIST)-DEEMED-TO-BE-UNIVERSITY, THANJAVUR

This is an agreement between "Party A", hereinafter called **SAKROBOTIX LAB, BHUBANESWAR, ODISHA, INDIA** and "Party B", hereinafter called **PRIST DEEMED-TO-BE UNIVERSITY-THANJAVUR**

I. PURPOSE & SCOPE:

The purpose of this MOU is to clearly identify the roles and responsibilities of each party. The MOU is intended to establish a mutual agreement **in establishing a Robotics Research Centre in the Campus of PRIST DEEMED-TO-BE UNIVERSITY-THANJAVUR, for Students and to engage the students in Robotics training and also offering Robotics product development exposure.**

II. BACKGROUND:

SakRobotix is an Indian Robotics Startup headquartered in Start-up Centre, IIT Bhubaneswar that designs, develops, research, and sells Robots, Robotics DIY KIT, Robotics toys, and offers online robotics education. The company's hardware product includes 35 different Robotics DIY (Do it yourself) learning kit, the robotics teddy bear, the stair climbing robot and the teaching robot. SakRobotix's edtech platform Gyanx is an open robotics learning platform with unique robotics application oriented courses. SakRobotix have trained more than 1 Lakh students on robotics since its inception by organizing various robotics workshop & programs across India. The company establishes "SakRobotix Research Centre" across premium institute/university as an Industry institute Partnership Program where the company focuses on engaging students into robotics product development and produces outcome as product with patent. SakRobotix establishes its franchises to make available of quality robotics education across India. The company is in the journey of making India the next robotics capital of the world. www.sakrobotix.com.

PRIST DEEMED-TO-BE UNIVERSITY-THANJAVUR

PRIST aims at carrying ahead the torch of learning further ahead, with added strength, courseware, qualitative dissemination of knowledge, virtue and morality. In to a state of perfect maturation may it become a brilliant morning star in the firmament of higher education, Research and an unending contribution to man and his society. PRIST, with all its satellite campuses all over the state of Tamil Nadu and the Union Territory of Puducherry, and a wide spectrum of disciplines (ranging from Science & Technology, Arts & Humanities, Education &

Law, Pharmacy and Medicine, Architecture & Agriculture), at all levels (under graduate, post graduate as well as doctoral) envisions towards being an internationally recognized Institution for its excellence of academic programs, for its high quality teaching across a broad range of disciplines, for its efforts in promoting world class research and for its community service in making quality and flexible higher education to reach wider community.

III. SAKROBOTIX LAB RESPONSIBILITIES UNDER THIS MOU:

1. Each and every SakRobotixRC members will receive a membership club identification card.
2. 6 Full days 100% hands on Engagement, exclusively for all the, "SakRobotixRC" Members at the institute premise, with the schedule 3 days (initial hands on session) + 1 day (Product development) + 1 day (Product Development) + 1 day (Product development).
3. Robotics kits & components FOR the SRC:-

SakRobotix Research Centre – Year 1-Component List

1. Autonomous robotics kit Box - 6 No's
(8051 microcontroller robot development board with dual motor driver, IR sensor, LDR sensor, Temperature sensor, power supply adapter)
2. Underwater robotics Kit Box - 6 No's
(Educational Remote Operated Vehicle Kit, with three propellers, remote & coded wire)
3. BreadBotix Robotics Kit Box - 6 No's' (Educational Remote Operated Vehicle Kit, with three propellers, remote & coded wire)

Robotics Lab Components:

4. USB Programmer - 4 No's
5. Screw driver tool kit - 2 No's
6. Drilling machine - 1 No's
7. IR Sensors Obstacle sensor - 6 No's
8. Humidity Sensor - 2 No's
9. Temperature sensor - 6 No's
10. Light Sensor - 6 No's
11. Ultrasonic sensor - 2 No's
12. DC Motor - 6 No
13. Wheels - 6 No's
14. Castro wheel - 3 No's
15. 4 Wheel robot car chassis kit - 3 No's
16. Hacksaw - 1 No's
17. Hammer - 1 No's

8. SakRobotix RC Student members will get 20% discount in any training program offered by SakRobotix.
9. SakRobotixRC members will get Rs.2000/- discount coupon for any courses on Gyanx.com.
10. Regular Technical support through Online.
11. The student members of the RC will improve their robotics and embedded skill set continuously.
12. The student & faculty research work will be covered in our online Robotics magazine, "Robotics Guru"
13. The components/tools supplied by SRC and the products developed by the PRIST-SACROBOTIX Research Centre will remain a property of the institute.

PRIST DEEMED-TO-BE UNIVERSITY-THANJAVUR

The Organization should appoint at least one coordinator to manage the equipment and to organize the online classes.

SRC Setup infrastructure Requirements from the institute side:

1. Dedicated Room for establishing Research Centre
2. At least 25 plug points
3. 2-4 No of computers
4. Variable DC Power supply
5. 1 Black Board
6. 1 White Board
7. Projector is preferred
8. Robot test bed (Customized Robotics testing arena) made by plywood & color painting as attached
9. 8 No of Tables size 8*4 square feet

EDUCATIONAL, TRAINING, RESEARCH AND DEVELOPMENT

Memorandum of Understanding with TRI-BIOTECH

This memorandum of understanding (MOU) is made and entered into on this 19th day of March 2019.

BETWEEN

TRICHY RESEARCH INSTITUTE OF BIOTECHNOLOGY PVT. LTD.,

Tiruchirappalli represented by Dr. E. Angel Jemima, Chief Executive Officer (by designation), having his office No. 107-D, 2nd floor, 9th Cross (East), Thillai Nagar, Tiruchirappalli here in after called the first party.

And

**DEPARTMENT OF BIOCHEMISTRY,
PRIST UNIVERSITY,
TRICHY-THANJAVUR ROAD,, VALLAM, CAFE ROAD,
THANJAVUR - 613403. TAMIL NADU.**

Party 1

The Trichy Research Institute of Biotechnology Pvt. Ltd., is committed to creation of research knowledge through hands on training programs and research projects in all the biomedical, biochemistry, biotechnology, microbiology, molecular biology, physiology and life science based fields. Trichy Research Institute of Biotechnology Pvt. Ltd., has been established to provide in-depth practical knowledge in life sciences and preparing students for their future job options with quality benefits. We encourage innovative young minds to develop their dream projects and ideas to become true, by providing scholarly guidance, facilities, and support.

The Trichy Research Institute of Biotechnology Pvt. Ltd., offers research work/projects for BE., B.Tech., B.Pharm., students and also research scholar of M.Sc., M.Phil., Ph.D., M.Pharm., ME., & M.Tech and also conducts scientific workshops, short-term training programs, conferences, career oriented training programs in the various fields (Biomedical sciences, Molecular Biology, Cancer biology, Ethanopharmacology, Immunotechnology, Nanotechnology, Medical Microbiology, Bioinformatics, Cell biology, Pharmacokinetics, Industrial Pharmacy, Phytochemistry, Natural Products, Pharmaceutical Microbiology, Biotechnology, Biochemistry, Zoology, Stem cell, Botany, Environmental biotechnology, Marine biotechnology, Proteomics, Cell culture techniques, Plant biotechnology, Compound Isolation, Toxicology etc.,).

Trichy Research Institute of Biotechnology Pvt. Ltd., was registered under the company act 2013, CIN of the company is U73200TN2017PTC119075 of 13th Oct 2017 and the Research and Development became functional on 8th Dec 2016, When the CEO of the centre assumed charge.

Party 2

Joint Responsibilities of Trichy Research Institute of Biotechnology Pvt Ltd., Tiruchirappalli- 620 018 and Department of Biochemistry, PRIST University, Trichy-Thanjavur road, Vallam, Cafe road, Thanjavur – 613403. Tamil Nadu.

Encourage direct contact and collaboration between our faculties.

- Collaborate in organizing academic seminars/conference/workshop/symposium on issues of mutual consent.
- Exchange information, including, but not limited to, of academic materials, research publications, collaborate in writing and publishing where possible.
- Promote teaching, research and learning activities.
- Trichy Research Institute of Biotechnology Pvt. Ltd., and Department of

Biochemistry, PRIST University, Thanjavur, to share laboratory, equipments, library resources and databases etc.

- Collaborate in organizing training/ projects to develop young scientists and research scholars.
- Collaborate research works will be carried out for the development of antimicrobial, anticancer, diabetes, anti-inflammatory drugs, characterization of biological compounds, cytotoxicity analysis of herbal extracts/ organic/ inorganic compounds, development of vaccines and diagnostic kits etc.,
- Collaborate in organizing biomedical engineering workshops, summer training programs for the college students to make them employable.
- Trichy Research Institute of Biotechnology Pvt. Ltd., and Department of Biochemistry, PRIST University, Thanjavur, is to provide biological research techniques with nominal prize.
- Enhancing scientific temper among the college students through imparting science based research and education.
- Collaborate in giving training on small scale industries, specifically connected with macro, micro biomedical based products..
- Trichy Research Institute of Biotechnology Pvt. Ltd., and Department of Biochemistry, PRIST University, Thanjavur. agrees to publish books and journals etc.
- Trichy Research Institute of Biotechnology Pvt. Ltd., and Department of Biochemistry, PRIST University, Thanjavur. agrees to submit joint proposals to Indian and abroad funding agencies for collaborative research.
- Any legal implications will be confirmed to Tiruchirappalli division only.

In witness where of the parties have signed this Memorandum of Understanding of the said month and year first herein above written. This Memorandum of Understanding is signed on this day 19th March 2019 at Trichy between the CEO, Trichy Research Institute of Biotechnology Pvt. Ltd., Tiruchirappalli – 620018 and the Vice Chancellor/Registrar, PRIST University, Thanjavur – 613403.

MEMORANDUM OF UNDERSTANDING

Academic and Research Collaboration

Between

**PONNAIYAH RAMAJAYAM INSTITUTE OF SCIENCE AND TECHNOLOGY (PRIST)
THANJAVUR, TAMIL NADU, INDIA**

And

M/S nROOT CONSULTANCY (nROOT), THANJAVUR, TAMIL NADU, INDIA

This Memorandum of Understanding (MoU) entered into on 13th day of August in the year 2019

BETWEEN

Ponnaiyah Ramajayam Institute of Science and Technology (PRIST), Vallam, Thanjavur-613403, Tamil Nadu, a deemed university (U/S 3 of UGC act 1956) an ISO Certified, AICTE Approved and NAAC accredited institution represented by the Vice Chancellor which expression shall, where the context so admits, be deemed to include his/her successors, executors and administrators on the ONE PART

AND

M/s nRoot Consultancy (nRoot), #139/1B, nRoot Headquarters, Near Air Force Station Thanjavur, Pudukkottai Road, Thanjavur-613403, Tamil Nadu, a pioneering startup firm, involved in designing and developing various innovative Green Field Project under Make in India, represented by its Chief Executive Officer, which expression shall, where the context so admits, be deemed to include his successors, executors and administrators on the OTHER PART. PRIST & nRoot will henceforth be referred to as the 'Parties'. Accordingly the Parties have decided to enter into this MOU.

Both the parties are agreeing to establish a cooperation program in R&D in the field of Technological Advancement in the field of Defence and Civil Sectors. Both parties have agreed to the following:-

1. Based on the principles of mutual benefit and respect for each other's independence, the two organisations will foster:-
 - (a) Academic and research collaboration in the areas of mutual interest.
 - (b) Guiding and grooming of enterprising faculty members, inquisitive research scholars and innovative students to become successful entrepreneurs.
 - (c) Cooperation in Defence and Civil related (Make in India) projects, students internship, Faculty Enrichment Program, Industrial Visits, Lectures, Workshops, National/International seminars, conferences and Consultancy Work.
2. In order to carry out the above-mentioned activities, a detailed plan may be agreed upon in consultation between both the parties for every project or program, as necessary.

3. It is implicit that each and every activity undertaken under this agreement is approved by the appropriate officials at each organisation and will be governed by their independence and mutual understanding in terms of Finances, Intellectual Property Rights and Confidentiality. Following are few of the responsibilities to be undertaken by both the parties:-

Responsibilities of nRoot

- Provide Industrial visit and Inplant Training for students, in the plants and to provide career guidance and counselling
- Provide Chair Person and Resource Person for National seminar/Workshop/Conference, as applicable.
- Provide consultancy services for curriculum development and faculty Enrichment Program (FEP) on Latest trends in Engineering once in a year at free of cost during agreement period
- Provide resource person for Guest lecture program on related topics at **PRIST** university
- To help the innovators of PRIST in commercializing their products/projects.

Scope of Ponnaiyah Ramajayam Institute of Science and Technology (PRIST)

- To provide lab facilities & infrastructure required to carry out R&D by nRoot & their associates where the team from PRIST is involved.
- To provide required infrastructure to nRoot & Associates to conduct training and Seminar and Guest lecturers as part the curriculum.
- To assist in documentation & IPR filing of the Projects and Research & Development Works, jointly developed by (PRIST) and nRoot
- To extend support nRoot & Associates in designing and development of Make in India projects, as required, WITHOUT INFRINGEMENT OF Non-Disclosure Clauses and IPR provisions.

4. This agreement shall be effective on and after the date of its signing by the authorized representatives of the two organisations and shall remain in force for a period of three years. It may be renewed at the end of this period. In order to terminate it before the end of this period, either party should give a three months prior written notice.

5. This agreement is generic in nature and joint venture or project shall be governed by the additional terms and conditions, if any, mutually agreed upon by both the parties. The terms and conditions of this agreement also may be modified at any time after due consultation between both the parties and

IN WITNESS WHERE OF THE UNDERSIGNED, duly authorized there to, have signed this Memorandum of understanding on 13 Aug 2019.

The Agreement is executed on this 12th day of September month, 2019 (Effective Date) by and between:

Siemens Centre of Excellence in Manufacturing hereinafter called the "Siemens CoE or CoE" functioning in National Institute of Technology, Tiruchirappalli, a premier academic Institution of International repute incorporated under National Institute of Technology Act, 2007 having its permanent campus and office at Tanjore main road, National Highway 67, near BHEL, Tiruchirappalli, Tamilnadu 620015 (hereafter referred to as 'NIT Trichy', which expression shall include its successors and assigns) of the first part,;

And

Ponnaiyah Ramajayam Institute of Science and Technology Deemed to be University, Thanjavur hereinafter PRIST Deemed to be University (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

WHEREAS:

1. The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as National Institute of Technology, thereafter.
2. Siemens CoE established in 2018 at NIT, Trichy premises with 90% investment from Siemens and 10% investment from NIT, Trichy. The CoE operates with a primary objective of creating a robust technical education eco-system through its experience in industrial products and services. This Siemens CoE is intended to bridge today's gap between industry requirements and technical education, and provide solution that makes technical institutes be more aligned with industry needs and make engineering graduate students, industry compliant / on par with industry expectations.
3. Siemens CoE has 12 sophisticated Laboratories for Design and Validation, Advanced Manufacturing, Test and Optimization, Automation, Electrical and Energy savings, Process Instrumentation, Mechatronics, CNC Machines, CNC Controller, Robotics, Rapid Prototyping and Internet of Things through which different services are offered to Academic Institutions and Industries.

Siemens CoE, NITT

PRIST Deemed to be University

4. Vision - Siemens CoE

- a. To provide skill excellence through Training, R&D and Consultancy for robust Industry relevant technical education eco-system.

5. Mission - Siemens CoE

- a. To offer certified skill development programmes for enhancing placement opportunities
- b. To promote industry-academia partnership by engaging in extensive consultancy services
- c. To engage in Research and Development for societal benefits and uplift
- d. To strategically align with Institute's Vision and Mission for building the brand image of NITT

6. Details of PRIST Deemed to be University

The Siemens CoE, National Institute of Technology, Tiruchirappalli, India enters into the following Agreement to offer Skill Development, Training and other related services to PRIST Deemed to be University.

1. Siemens CoE offers various skill development courses across different disciplines. PRIST Deemed to be University committed/commits to send 100 number of students/faculty every year for such courses. The timing/duration of the courses shall be arrived on mutually agreed dates. The CoE offers 20-40% discount on the regular advertised course fee depending on the demand.
2. A student/faculty who has completed any CoE offered courses will be given 10 Hours of free Lab usage time after the course within one-year duration. The timing will be decided by the CoE based on the availability.
3. Siemens CoE offers the resources for student projects on chargeable basis. It is the responsibility of the faculty mentor from PRIST Deemed to be University to monitor the progress. The CoE shall not offer any certification for such usage but shall provide an attendance certificate.
4. Siemens CoE offers Internships to students. The CoE can accommodate a reasonable number of students depending on the demand.
5. The faculty of PRIST Deemed to be University shall submit funding/consultancy proposals quoting the Siemens CoE resources. In such cases, a NITT faculty will be the Co-PI and budgeting need to be arrived through mutual discussion before submission.

Siemens CoE, NITT

PRIST Deemed to be University

6. Siemens CoE periodically conducts workshops/symposiums/conferences etc. For such events, any participant from PRIST Deemed to be University will get 25% discount on the Registration fee.
7. PRIST Deemed to be University shall organize events such as workshops/symposiums/conferences jointly with Siemens CoE. In such cases, the financial implications need to be discussed and to be approved by competent authorities before the event.
8. Siemens CoE will not be responsible for safety of the students outside the NITT premises. PRIST Deemed to be University should instruct their students clearly on the safety and precautionary measures.
9. Siemens CoE will not be responsible for loss/theft or damage of any of the student's belongings. PRIST Deemed to be University should instruct their students clearly on the precautionary measures.
10. The implementation of specific activities will be separately agreed between both institutions on need basis.
11. Other terms and conditions which are not provided in this Agreement will be deliberated and agreed upon by the institutions hereto.
12. This Agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this Agreement in duplicate, and each institution shall keep one copy of the originals.
13. This agreement shall be governed by and construed in accordance with the laws of India.
14. The two parties will consult each other and attempt to resolve disputes or misunderstandings that arise in the administration of this agreement informally.
15. This agreement shall be valid for a period of three years from the date both signatures are affixed to this document or before if terminated by mutual agreement of both. This agreement may be terminated by either party after one hundred and twenty (120) days following receipt of a written notification of intent to terminate by the other party.
16. If a proposal to renew this agreement is not presented before the end validity period, it will be terminated automatically at the end of three years.
17. This is a non-exclusive MoU.

MEMORANDUM OF UNDERSTANDING

BETWEEN

UNIVERSITI MALAYSIA PAHANG, MALAYSIA
AND

PRIST UNIVERSITY INDIA

This **Memorandum of Understanding ("MOU")** is intended to promote international cooperation between, Universiti Malaysia Pahang (UMP) and the PRIST University. UMP and PRIST recognizing the benefits to their respective universities from the establishment of institutional links, hereby agree to enter into this agreement for the following purpose.

Whereas:

1. For the purpose of this MOU, UMP shall be represented by the Faculty of Mechanical Engineering and the PRIST University (Deemed to be University under UGC Act shall be represented by Faculty of Technology.
2. The Parties are desirous of entering into this MOU to declare their respective intentions and to establish a basis of co-operation and collaboration between the Parties upon the terms as contained herein.

1. PURPOSE OF AGREEMENT

The purpose of this agreement is to develop academic and educational cooperation, establish a collaborative program between the two universities and to cooperate in their mutual interest for a range of higher educational activities.

2. AREAS OF COOPERATION

Subject to the availability of funds, resources and approval of the authorized representatives and authorities of UMP and PRIST University, both institutions agree to develop the following collaborative activities:

- a) Conducting joint research and development project
- b) Organization of lectures, symposia, international meetings, conferences, and workshops
- c) Exchange of Faculties, researchers and students
- d) Exchange of information, teaching materials, technological and scientific publications
- e) Any other areas of co-operation to be mutually agreed upon by the Parties.

3. IMPLEMENTATION

The parties will designate one officer each who will develop and coordinate specific programs or activities between them. The nodal points of contact designated are Prof. Rizalman Mamat, Professor/ Dean, Faculty of Mechanical Engineering, UMP and Dr. S. Mohanraj, Director of Research and Development PRIST University, India.

4. DURATION

This Memorandum of Understanding will become effective immediately after signature by the representatives of both authorize representatives for a period of five (5) years and is subject to revision or modification by mutual agreement with the understanding that either party may terminate this MOU with SIX (6) months' notice unless an earlier termination is mutually agreed upon.

5. SETTLEMENT OF DISPUTES

Any dispute, conflict of interest or problems arising from the application or interpretation of this current framework agreement shall be resolved in the first instance by the coordinators of this agreement (or representatives of both parties) and secondly by the respective Rectors or their designees by mutual agreement.

6. INTELLECTUAL PROPERTY

- a) The protection of intellectual property rights (any invention, copyright, trade secret, or any other form of intellectual property) shall be enforced in conformity with the respective national laws, rules and regulations of the Parties and with other international agreements signed by both Parties.
- b) The use of the name, logo and/or official emblem of any of the Parties on any publication, document and/or paper is prohibited without the prior written approval of either Party.
- c) Notwithstanding anything in paragraph 1 above, the intellectual property rights in respect of any technological development, and any products and services development, carried out –
 - (i) jointly by the Parties or research results obtained through the joint activity effort of the Parties, shall be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and
 - (ii) solely and separately by the Party or the research results obtained through the sole and separate effort of the Party, shall be solely owned by the Party concerned.

7. PUBLICATIONS

It is forbidden for each of the parties to reproduce any kind of material that has been provided or developed under the terms of this agreement without the permission of the other party.

8. CONFIDENTIALITY

- a) Each Party shall undertake to observe the confidentiality and secrecy of documents, information and other data received from or supplied to, the other Party during the period of the implementation of this Memorandum of Understanding or any other agreements made pursuant to this Memorandum of Understanding.
- b) For purposes of paragraph 1 above, such documents, information and data include any document, information and data which is disclosed by a Party (the Disclosing party) to the other Party (the Receiving party) prior to, or after, the execution of this Memorandum of Understanding, involving technical, business, marketing, policy, know-how, planning, project management and other documents, information, data and/or solutions in any form, including but not limited to any document, information or data which is designated in writing to be confidential or by its nature intended to be for the knowledge of the Receiving party or if orally given, is given in the circumstances of confidence.
- c) Both Parties agree that the provisions of this Article shall continue to be binding between the Parties notwithstanding the termination of this Memorandum of Understanding.

89

9. REVISION, MODIFICATION AND AMENDMENT

- a) Any revision, modification or amendment to this Memorandum of Understanding agreed to by the Parties shall be reduced into writing and signed by the Parties and shall form part of this Memorandum of Understanding.
- b) Such revision, modification or amendment shall come into force on such date as may be determined by the Parties.
- c) Any revision, modification and amendment shall not prejudice the rights and obligations arising from or based on this Memorandum of Understanding before or up to the date of such revision, modification or amendment.

MEMORANDUM OF UNDERSTANDING

between

**Centre for Research & Development, PRIST Deemed to be University,
Tamilnadu, India**

and

Department of Biological Engineering, Inha University, Incheon, Korea

As an outcome of the understanding and a long friendship between India and Korea, this venture has been taken towards the mutual cooperation in higher education and considering the importance of direct academic contacts for research support, Centre for Research & Development, PRIST Deemed to be University, Tamilnadu, India as represented by its Vice-Chancellor, Dr. N. Ethirajalu on the one part and Professor Yun Suk Huh, Department of Biological Engineering, Inha University, Incheon, Korea on the other part, here after referred to as "the Parties or the Institutions" have agreed as follows:

§ 1

The main purpose of this memorandum of understanding (MoU) is to institute and conduct partner relations between these Institutions on the basis of various forms of collaboration, which are listed in § 3 of the MoU.

§ 2

On implementation of cooperation under the MoU, the contracting Parties will follow the provisions of legal documents in fields of education, science, culture, and external economic activity, being in force at present as well as in accordance with current legislation of each Party. The Parties have agreed that all the issues, concerning the invitation of the delegation, conditions of the stay of one Party in the country of another Party, will be decided personally. The Parties take the responsibility to give mutual visa support.

§ 3

- The Parties intend to exchange specialists for delivering lectures, conducting research work, giving seminars and consultations.
- The Parties intend to conduct collaborate research on actual scientific problems of mutual interest.
- The Parties would exchange experience and information on pedagogies, teaching methodology, structure and content of higher education.
- The Parties would exchange academic teaching staff and students for the purpose of practical training and professional development.
- The Parties would exchange teaching aids, curriculum, syllabus, reference literature as well as exhibitions representing achievements of both Universities.
- The Parties intend to conduct joint work in preparation and publication of teaching/ research aids and scientific publications.
- The Parties would promote organization of bilateral events and would invite scientists from partner University for participation in international symposia, conferences, seminars and workshops held by the partner University.

The Parties by mutual understanding can elaborate partnership work programs arising from this memorandum.

§ 4

These two Parties shall cooperate under this Memorandum when it is signed by the official representatives of the Institutions for a period of five years with the understanding that either party with three months' notice can terminate it, unless an earlier termination is mutually agreed upon.

§ 5

Both parties recognize that collaborative efforts will be of mutual benefit and will contribute for cooperation in academic and research activities.

Memorandum of Understanding
Between
PRIST University
and
Binary University

1. Preamble

- a) Prist University, Tanjore, TamilNadu and Binary University, Malaysia, are willing to enter into and formally establish this "Memorandum of Understanding" (hereinafter referred to as MOU).
- b) The purpose of this MOU is to promote and expand international understanding, development, and friendship as well as stimulate and support academic pursuits among the students and faculty of the two Institutions. Prist University and Binary University (hereinafter referred to as PU and Binary respectively) identified general areas of mutual interest that may include but not limited to the following:
 - student exchange programs
 - faculty exchange programs
 - Corporate academic program
 - cooperative/collaborative research projects
 - exchange of publications and
 - short-term training, workshops, seminars and conferences.
- c) Both institutions realize that in general the language of instruction is English. The term "host" institution refers to the Institute/University the student or faculty member plans to visit. The term "home" institution refers to the Institute/University where a student is studying or, in the case of faculty Members, refers to the university where the faculty member is regularly employed.
- d) Both institutions understand that this MOU is not exclusive and each institution is

permitted to enter into other such agreements with other universities.

2. Term of the MOU

The term of this MOU shall be five years (2019 - 2024) from the date of signing. The MOU may be renewed for additional periods by written agreement of the parties, prior to the end of the initial five-year term (or any subsequent extension of the MOU). During the initial five-year term (and subsequent extensions, if any), the parties shall consult at least annually to discuss the program, any problems that have arisen, and opportunities for improvement.

Either party may terminate this MOU at any time (during the initial five-year period or any extension period) by giving six months advance written notice.

3. Contact Person

Both the institutions will designate contact persons assigned with the responsibility of coordinating MOU activities in general terms. **For PRIST University, this will be Director for International Relations. For Binary University, this will be Mr.A.AhamedRiaz, Binary University's Regional Director for South India.**

4. Scope of Co-operation

While a wide range of activities, in the academic field is identified within the MOU, any specific program will be addressed under separate written agreements between the two institutions which will serve as appendixes to this MOU. Below are the 3 specific areas of co-operation that will be implemented in Phase 1.

4.1 Student Exchange

- a) Participation in the student exchange programs is meant for advanced skilling, training and gaining advance knowledge and does not constitute admission into any academic degree program or lead to the award of any academic degree at the host institution, unless otherwise permitted under the various rules and regulations governing such participation in both the countries.
- b) The acceptance of exchange is conditional on obtaining the necessary immigration and travel clearance from respective government authorities in the host country and the host institution will endeavor to assist in obtaining proper documents and will guide each student through the respective immigration and visa procedures. However, immigration matters are the responsibility of the exchange student.

4.2 Faculty/Staff Exchange

- a) The faculty/staff of an institution under the terms of the MOU may participate in a variety of activities at the host institution. Such activities may include faculty exchange for instructional and/or research activities for short term or extended periods of time; conducting conferences, seminars, workshops, training programs and/or lecture series; providing professional expertise as consultants on special projects within the institutions.
- b) Unless specifically agreed, each faculty will bear the cost of participation that will be charged by the host university.

4.3 Joint Research and Development

Binary and PU agree to conduct joint research, hold conferences, seminar and workshops to promote academic and research excellence for both institutions.

This MOU will be subject to compliance with all governing rules and regulations in the respective countries.

IN WITNESS THEREOF, the parties representing the two institutions have offered their signatures below:

MEMORANDUM OF UNDERSTANDING
(Establishment of Collaborative Programme)

BETWEEN

WIDAD UNIVERSITY COLLEGE (WUC), MALAYSIA

AND

PRIST DEEMED TO BE UNIVERSITY, THANJAVUR

AND

ST. BRITTO'S COLLEGE, CHENNAI

This MoU is entered into on this 24th day of July 2019 by WIDAD UNIVERSITY COLLEGE (WUC) herein after referred to as "WUC" whose registered address 'WIDAD UNIVERSITY COLLEGE (WUC), BIM Point, Bandar Indera Mahkota, 25200 Kuantan, Pahang Darul Makmur, Malaysia

AND

PONNAIYAH RAMAJAYAM INSTITUTE OF SCIENCE AND TECHNOLOGY - PRIST DEEMED TO BE UNIVERSITY herein after referred to as 'PRIST' whose registered address is Vallam, Thanjavur, Tamil Nadu 613403.

AND

ST. BRITTO'S COLLEGE hereinafter referred to as "SBC" whose registered is 2nd Main Road, Officers Colony, Adambakkam, Chennai, Tamil Nadu - 600088.

RECITALS

A. WUC is Private Higher Educational Institution approved and registered as University College under the Malaysian Private Higher Educational Institution Act 1996 with registration No. DKU – 015 (C). WUC is offering medical education besides other programmes.

B. PRIST DEEMED TO BE UNIVERSITY offers undergraduate and postgraduate courses in Engineering & Technology, Science, Education, Agriculture, Management, Arts, and Law, as well as research programmes. The Institute has campuses in Trichy, Kumbakonam, Puducherry, Chennai ECR, Chennai and Madurai.

THE PRIST DEEMED TO BE UNIVERSITY is approved by Ministry of Human Resource Development (MHRD), Government of India and the University Grants Commission (UGC) in the year 2008. The PRIST DEEMED TO BE UNIVERSITY is an institution accredited by National Assessment and Accreditation Council (NAAC). PRIST University Management has more than 3 decade experience in running various higher educational institutions for offering programmes in 1. Engineering & Technology, 2. Arts & Science, 3. Commerce & Management, 4. Education, 5. Architecture, 6. Law, 7. Pharmacy, 8. Agriculture with the approval of UGC, MHRD, AICTE, NCTE, BCI, PCI, COA etc.

ST. BRITTO'S COLLEGE is an Institute of Career Oriented & Logistics Studies started in the year 2012. The College is the Technical Partner of PRIST Deemed to be University, Thanjavur offering Skill & Industrial Training to the students of Post Graduate degree / Undergraduate / Diploma in the field of Fashion Design, Visual Communication and Shipping & Logistics with the related industrial support like Kerry Indev Logistics, Ennore Cargo Container Terminal (ECCT), Aberdeen Container Lines and so on.

ST. BRITTO'S COLLEGE has a lot of innovative systems and facilities in place that have proved to be both creative and effective. In order to achieve their goal of being unique and progressive in the field of education, the college spends huge amounts of resources, time and energy to ensure that the whole person of every youth is transformed. Therefore, it has chosen a team of efficient, committed, sincere and experienced staff to achieve their dream. They strongly believe in the Philosophy that "Form people to become competent than merely teaching".

TERMS

1. PURPOSE OF THE MOU

The primary objective of this MoU is to create a means for collaboration with PRIST DEEMED TO BE UNIVERSITY, Thanjavur (INDIAN UNIVERSITY), and ST. BRITTO'S COLLEGE (TECHNICAL PARTNER) to assist WUC (INTERNATIONAL UNIVERSITY) to establish and conduct academic programmes at the certificate, undergraduate and post graduate level in the area of Shipping & Logistics Management and Information Technology (IT).

1.1 AREAS OF COLLABORATION

1.1.1 PRIST and ST. BRITTO'S COLLEGE to assist WUC

- a. to establish and run the following academic programmes:
 - i. Professional Certificate in Logistics Management
 - ii. Bachelor of Commerce (Integrated Logistics)
 - iii. BBA in Integrated Shipping and Logistics Management
 - iv. Bachelor of Information Technology (Integrated Logistics Management)
 - v. Masters Degree in Integrated Shipping & Logistics Management
 - vi. Master Degree in Executive Shipping & Logistics Management
 - vii. Any other programmes identified from time to time.
- b. to provide expertise to teach the said programmes
- c. to provide a full and complete syllabus for conducting Bachelors' programme in Information Technology and Shipping & Logistics with the International Standard
- d. to assist WUC in providing facilities to ensure smooth running of the said programmes
- d. to train WUC lecturers in the field of logistics management
- e. to assist students Campus Interview and internship in related industries for industry visits, industrial training, on the job training and suitable assistance in Malaysia, India and in other countries where WUC intend to start the similar programmes

1.1.2 WUC to get approval from Malaysian Ministry of Education and Malaysian Qualification Agency to run the said academic programmes and confer the graduates with its certificate, degree and post graduate awards.

1.1.3 WUC to provide all required Visas and arrange for accommodation for the faculty members and students of PRIST & SBC to visit Malaysia as and when required for teaching and learning purpose respectively.

1.1.4 In case in India, PRIST will admit students for International Degree in the approved programme by the WUC and enroll the students with the WUC & PRIST as Twinning Programme and would handle all subjects using their faculty members, arrange for training programmes and campus interview under the auspice of the WUC. WUC PRIST students who successfully complete the programme in India.

PREAMBLE

Ponnaiyah Ramajayam Institute of Science and Technology (PRIST) a deemed university (U/S 3 of UGC act 1956) one of the rebuffed university in India. It has achieved global identity through its involvement in research in recent technology and successful completion of projects and products. The University is an **ISO** Certified, **AICTE** Approved and **NAAC** accredited institution is known for its rich tradition and high values bestowed upon by its Chairman. Ponnaiyah Ramajayam Institute of Science and Technology (PRIST) is equipped with world class infrastructure and highly qualified and experienced faculty

Industry Profile

The South India's best ever institution **DICE** is accredited by the government of India and certified as an ISO 9001-2008 Plant. The Communicative English programme is a unique field that fulfils the requirement of the teachers and students. Using a learner - centered Communicative approach offers a special focus on the dynamic integration of Vocabulary, Reading, Listening, Pronunciation and Communicative functions.

"Language is not life, it's an ornament beautifies the life"

At this time of vicious rivalry as for as neighborhood and worldwide business Realm, The English language has become a necessary and an indispensable one to lead the march forward to enable the children with the soul intension of "Inspire and Empower".

SCOPE OF DICE EDUCATION:

DICE was started with two staffs in the year of 2010. The number of the staff for the first year were 10. In the year 2014 the number of the staffs are 45, In 2019-20, 132 staff and they are working in various schools. **We get excellent feedback from the society, but unable to fulfill their request that is running a residential communicative development programme due to the non-availability of the building.** If we get the basic infrastructure definitely within three years we will be able to uplift nearly 30,000 poor students to the good status through the language development inside and outside of India.

The gap between rich and poor will be minimized. The education value system will be spread even in the hearts of the other religious people and students. Since DICE does not restrict itself by religious atmosphere but values are followed. **Dice walks with Legal Entity.** The financial transactions will be held by the legal entity. The DICE is the part of the Trust "I'M EAST" (Irudaya Mary Educational Agricultural Social Trust). DICE comes from the successful operating system, we want to be more successful for which we need of your upliftment.

We are glad to provide you the **LETTER OF INTENT** with your institution for providing candidates for training at ICICI Academy for Skills.

ICICI Academy for Skills (IAS) is a national-level skill building initiative launched by ICICI Group, under the aegis of ICICI Foundation for Inclusive Growth, with the aim of providing job-oriented vocational skills to underprivileged youth for improving their livelihood potential and quality of life.

ICICI Academy offers vocational training (12 weeks) where the focus is on providing industry-relevant, practical training on a pro-bono basis to make the youth employable.

The Academy has tied up with industry leaders as knowledge partners to create an ecosystem which provides best-in class course curriculum, technical labs and industry linkages. The training also focuses on building life skills including effective communication, etiquette and grooming.

In this context, we request your kind support in referring deserving candidates, who could benefit from this program, for our Center in Trichy.

We would request you to share with us the list of candidates who could be considered for this skill development program.

Course:

Office Administration

Topics Covered:

- Life skills
- Etiquette and Grooming
- Customer Service
- Basic English
- Basic Computers
- Office Management
- Accounts & Tally ERP 9

Key features of the course:

1. Course duration: 3 months.
2. Food, uniform and course material cost to be borne by ICICI Foundation.
3. Certification from ICICI Foundation post successful completion of the training program.
4. Placement assistance for employment opportunities.

Eligibility Criteria:

1. Office Administration course: 10th Standard pass out to Graduates
2. Age between 18 years to 30 years as on date of enrollment

Process:

1. Candidates can visit our Academy for an enrollment process which will involve counseling with Sourcing Associate
2. Candidates are required to carry a photo id proof (Aadhar card), one passport size photograph and latest education certificate.
3. As this initiative offers training on a pro- bono basis to the trainees, we would like to see that only the deserving youth are able to make use of this program.

Please Note:

Aadha Card and Mark sheet Photocopy to be carried while visiting academy

**MEMORANDUM OF UNDERSTANDING
(MoU)**

**For
ACADEMIC EXCHANGE AND COOPERATION**

Between

**PRIST Deemed To Be University
(Established u/s 3 of UGC Act 1956)
Tanjavur, Tamilnadu, India**

and

**Wollo University
(Ministry of Education, FDRE, Ethiopia)
Wollo, Ethiopia**

Whereas PRIST Deemed To Be University, a accredited private Higher Education Institution in India (herein after referred to as PRIST) and Wollo University in Ethiopia (herein after referred to as WU) are linked by common academic and cultural interests; and

Whereas these two institutions wish to enable cooperation and exchange in all academic areas of mutual interest; and

Whereas these two institutions wish to expand the basis for friendship and educational exchange between India and Ethiopia;

THE PARTIES, PRIST AND WU HAVE REACHED AN UNDERSTANDING as follows:

**ARTICLE I
AREAS OF COOPERATION**

The purpose of this MoU includes, but not limited to, the following:

1. The development of collaborative teaching and research projects.
2. The organization of joint academic and scientific activities, such as twinning programs, conferences, seminars, workshops, symposia or lectures.
3. The exchange of research and teaching personnel.
4. The exchange of publications and other academic materials of common interest.

5. The exchange of students.
6. Creation of Centres of Excellence in specialized fields of mutual interest in Science, Engineering, Technology, Management and Humanities, and other fields of study.

Cooperative projects under this MoU may include any of the academic disciplines represented at either of the two institutions.

ARTICLE II

LETTER OF AGREEMENTS AND IMPLEMENTATION

In order to carry out and fulfill the aims of this MoU PRIST and WU will appoint an appropriate person each of their campuses to coordinate the development and conduct of joint activities. Through these contact persons, either institution may initiate proposals for activities under this MoU. Specific details of any activity will be set forth in a letter of agreement, which, upon signing by appropriate authorities at both universities, and approved pursuant to Article IV, will become an integral part of this MoU. Letters of Agreement will include such items as:

1. Elaboration of the responsibilities of each institution for the agreed-upon activity.
2. Schedules for the specific activities.
3. Budgets and sources of financing of each activity.
4. Any other items necessary for the smooth and efficient conduct of the activity.

The contact persons will additionally be responsible for the evaluation of activities under this MoU according to the practices of their respective institutions. Letters of Agreement will be approved at each institution according to the normal procedures governing the types of activities proposed therein.

ARTICLE III

COORDINATORS' RESPONSIBILITIES

Each institution shall designate a coordinator to oversee and facilitate the implementation of this MoU. The coordinators, working with other appropriate administrators at the respective universities, shall have the following responsibilities:

1. To promote academic collaboration at both universities, Ph.D, graduate and undergraduate student levels for research and study.

2. To act as principal contact / focal point for individual and group activities and to plan and coordinate all activities within their institutions as well as with the partner institution.
3. To facilitate cooperation for the purpose of funding of doctoral students to study at both institutions.
4. To initiate short-term training of Academic and Administrative personnel in both institutions.
5. To exchange information about faculties, facilities, research, publications, library materials and educational resources of the other institutions; and
6. To meet periodically to review and evaluate past activities and work out new ideas for future cooperative agreements.

National regulations and customs shall be mutually respected while discharging the responsibility for implementation of activities.

ARTICLE IV **MoU AS PARENT DOCUMENT FOR PROGRAM AGREEMENTS**

This general MEMORANDUM OF UNDERSTANDING shall be identified as the parent document of any program agreement executed between the parties. Further letters of Agreement concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing and executed by the duly authorized representatives of the parties. The scope of the activities under this MoU shall be determined by the funds regularly available at both institutions for the types of collaboration undertaken and by financial assistance as may be obtained either institution from external sources.

ARTICLE V **FINANCIAL ARRANGEMENTS**

1. Except as may be stipulated in any specific program agreement, each institution shall be responsible for expenses incurred by its employees under this MoU.
2. Applications for financial support towards the cooperation and individual activities planned under this agreement will be transparent and undertaken with mutual consent.
3. Other sources of finances raised to support joint projects / activities can be pursued with the knowledge of the other through intimation in writing.

ARTICLE VI
IMMEDIATE AREAS OF COOPERATION

- Faculty and Student Exchange / Mobility Programmes
- Joint Academic Programs (Mechanical, electrical, civil Engineering, IT & Computer Science, and Management Studies: Human Resource, Accounting & Finance, Marketing, and other fields)
- Capacity Building of Faculty from WOLLO University at PRIST Deemed To Be University (pursuing Masters and/or Ph.D at PRIST Deemed To Be University)
- Joint Research, Training, Conference, seminar, workshops in the areas of mutual interest
- Doctoral Programs guidance by PRIST and/or joint Doctoral guidance.

This agreement shall become effective from today the 04.07.2020 upon signing of this MOU.

ARTICLE VII
ENTRY INTO EFFECT AND DURATION

Upon approval by each institution, this MoU shall remain in effect for a period of five (5) years unless terminated earlier by either institution. Such termination by one institution shall be effected by giving the other institution at least **ninety (90) days** advance written notice of its intention to terminate. Termination shall be **without penalty**. If this MoU is terminated, neither PRIST nor WU shall be liable to the other for any monetary or other losses which may result.

The following authorized signatories have signed the present MoU on behalf of their respective institutions:

Both the Institute and R and D Company agree to identify responsible persons as points of contact, to network and communicate with all the personnel concerned, without undue loss of time and clarity of purpose.

Confidentiality

Primary purpose of this MoU is to involve parties into the research in their own areas of operation. It is understood that parties will share their background proprietary information. Considering this, receiving party will have to treat the disclosed/shared information strictly confidential and will not divulge it to third party. Accordingly, any supports by way of Technical Consultancy (Expertise)' literature support (Library, advanced software's in computer labs) infrastructure supports (Laboratories and workshops), industrial instruments and other logical supports may be availed upon mutual consent provided non-disclosure of proprietary information is adhered to and intellectual rights are mutually protected. Parties are obliged to maintain the confidentiality of proprietary information/Intellectual Property for the period of 5 years even after the termination of expiry of MoU.

Reviews

PRIST and PKM Industries will periodically review the progress of the MoU and make necessary changes as and when required.

Ownership and sharing of intellectual property rights

Parties will retain and maintain all intellectual Property Rights equally in Patents, design, software, copyright (source code) and publication if any that may be generated during the course of joint Project work.

Company Profile

Suhaas Engineering was established in 1999 is a family owned and run company dedicated to supplying its customers with superior quality and unsurpassable value. Our most valuable asset is our workforce. We have been certified to ISO 9001-2015 standard. In order to better serve our customer's needs and best interests, we are constantly focused on customer satisfaction and continuous Improvement. By setting higher standards and putting the tools in place to measure our work as efficiently as possible, we deliver better quality, service, and value with every job! We stop at nothing to provide our customers with the highest quality custom metal fabrication and machining services. We pride ourselves on upholding our promise that projects are delivered on time, on spec, and on budget – every time. Our customers are constantly operating against cost and time in the competitive industrial marketplace. That's why we have a team of experts and run our operations 24-hours a day to provide reliable metal machine and fabrication services to equipment manufacturers, heavy industry, infrastructure companies, and various other industries. Suhaas engineering believes only when passion for quality work combines with initiative, success can be created for customers, which enables us to provide value & quality. We offer a one-stop-shop solution, where no project is too big or too small. We understand our customers need for quality, which is why we place a precedent on delivering each project in compliance with individual customer standards. Our team

This MoU represents a complete understanding the Roles and Responsibilities of both the Agencies and provides an Umbrella Coverage for both the agencies to work together to meet the objectives of all the Development Projects identified so far and likely to be identified in future by the two agencies and likely to be funded by funding agencies such as DRDO/DST/AICTE/UGC / other State and Central government projects or any other Agency apart from government in future.

PRIST agrees to support the identified Projects through the services of the research members and through the services of the research and academic personnel identified by **AMBC TECHNOLOGIES, No.19, Jawahar Street, Gandhi Nagar, Chennai – 56.**

AMBC TECHNOLOGIES, Chennai will endeavor to support the projects by offering all research facilities available under its control to meet the project objectives in time and within cost specified by the likely project sanctions.

Both the Institute and R and D Company agree to identify responsible persons as points of contact, to network and communicate with all the personnel concerned, without undue loss of time and clarity of purpose.

Confidentiality

Primary purpose of this MoU is to involve parties into the research in their own areas of operation. It is understood that parties will share their background proprietary information. Considering this, receiving party will have to treat the disclosed/shared information strictly confidential and will not divulge it to third party. Accordingly, any supports by way of Technical Consultancy (Expertise)' literature support (Library, advanced software's in computer labs) infrastructure supports (Laboratories and workshops), industrial instruments and other logical supports may be availed upon mutual consent provided non-disclosure of proprietary information is adhered to and intellectual rights are mutually protected. Parties are obliged to maintain the confidentiality of proprietary information/Intellectual Property for the period of 3 years even after the termination of expiry of MoU.

General Manager
Royal Marine Impex

ROYALE MARINE IMPEX PVT LTD, AP will endeavor to support the projects by offering all research facilities available under its control to meet the project objectives in time and within cost specified by the likely project sanctions.

Both the Institute and R and D Company agree to identify responsible persons as points of contact, to network and communicate with all the personnel concerned, without undue loss of time and clarity of purpose.

Confidentiality

Primary purpose of this MoU is to involve parties into the research in their own areas of operation. It is understood that parties will share their background proprietary information. Considering this, receiving party will have to treat the disclosed/shared information strictly confidential and will not divulge it to third party. Accordingly, any supports by way of Technical Consultancy (Expertise)' literature support (Library, advanced software's in computer labs) infrastructure supports (Laboratories and workshops), industrial instruments and other logical supports may be availed upon mutual consent provided non-disclosure of proprietary information is adhered to and intellectual rights are mutually protected. Parties are obliged to maintain the confidentiality of proprietary information/Intellectual Property for the period of 3 years even after the termination of expiry of MoU.

Reviews

PRIST and Royale Marine Impex Pvt Ltd will periodically review the progress of the MoU and make necessary changes as and when required.

Ownership and sharing of intellectual property rights

Parties will retain and maintain all intellectual Property Rights equally in Patents, design, software, copyright (source code) and publication if any that may be generated during the course of joint Project work.
