### ❖ **Outcome of Workshop:**

Students will be able to;

- Understand the personality development.
- Effectively trained this workshop.

### ❖ **Event description:**

PRIST deemed to be University has organized a workshop for newly admitted first year commerce and management students on "Personality Development".

The workshop is aimed to encourage young commerce and management students to learn and explore the personality development skill to enhance their communication skill. Campus placements are one of the biggest events in every student's life. It's easy to see just how important personality is around the world.

  
REGISTRAR,

Ponnaiyah Ramajayam Institute of  
Science & Technology (PRIST),  
(Institution Deemed to be University  
U/s 3 of the UGC Act, 1956),  
THANJAVUR - 613 403, TAMIL NADU

This workshop began the course with an incredibly imaginative self-introduction exercise in which students had to present themselves in a fresh way. They were required to either provide an adjective, a quotation, or a song that best embodies who they are. Additionally, they may give the others a chance to guess their names by explaining the meaning of their names without disclosing them! The students seemed to be really engaged in the activity, which was a fun way to break the ice.

A conversation on the self—one's goals, aspirations, interests, and drives—came next. Pupils were reminded of the significance of dreams and desires in shaping one's identity. It was emphasized that they must be passionate about something in life. Additionally, advice on how to boost self-esteem was given to the students. They were also urged to approach everything in life with positivity and optimism. Above all, it was emphasized that kids should always have confidence in themselves and love who they are.

Mr. N. Charles, who has been in the field of personality development, has conducted the session for students on 15.03.2021. The session includes theory and practical session in which students are given topic and invited for discussion at the desk to motivate and encourage others. Students are also asked to participate in games specially designed by expert to enhance their development of personality. Mr. R. Infant Peter has provided guidance regarding topics like how to enhance model personality, how to find good personality, importance of personality. We hope, All the students are enjoying and learning the personality development of that day. Finally our staff Prof. Mrs. K. Sathya, Assistant Professor, Department of Commerce to Delivered Vote of Thanks.
