"WORKSHOP ON CAREER OPPORTUNITIES IN CHARTERED
ACCOUNTANCY & COMMERCE" — 07.02.22

The workshop is aimed to encourage young commerce and management students to learn and explore the Chartered Accountancy skill to enhance their Tally Course. Campus placements are one of the biggest events in every student's life. It's easy to see just how important Tally Accountancy is around the world.

This workshop began the course with an incredibly imaginative self-introduction exercise in which students had to present themselves in a fresh way. They were required to either provide an adjective, a quotation, or a song that best embodies who they are. Additionally, they may give the others a chance to guess their names by explaining the meaning of their names without disclosing them! The students seemed to be really engaged in the activity, which was a fun way to break the ice.

A conversation on the self—one's goals, aspirations, interests, and drives—came next. Pupils were reminded of the significance of dreams and desires in shaping one's identity. It was emphasized that they must be passionate about something in life. Additionally, advice on how to boost self-esteem was given to the students. They were also urged to approach everything in life with positivity and optimism. Above all, it was emphasized that kids should always have confidence in themselves and love who they are.

This Workshop on career opportunities in chartered accountancy & commerce was hosted by the Acco Focus Edutech (P) Pvt. Ltd. Thanjavur on 13th feb, 2023. The workshop was conducted by Prof. K. Sathya, Assistant Professor, Department of Commerce, School of Commerce and Management, Dr. S. Rajendran, HOD, Department of Commerce has given the welcome speech and coordinator of the Workshop Prof. B. Anuradha has given the introduction of the Workshop and chief guest. The Special Guest CA. Ms. S. Lakshmi, Director, Acco Focus Edutech(P) Ltd. Thanjavur. Around 150 students participated in the Workshop. She has lecture for 3 hours.

Today, just completing your graduation is not counted as having a great career. Students need great knowledge and a good degree to face strong competition in life. But the most important question is which is the right course after B.Com. The speaker informed about

ACCOUNTANCY & COMMERCE - 07.02.2022

various career opportunities after graduation. He talked about Masters of Commerce (M.Com), Bachelor of Commerce (B.Com), Bachelor of Commerce (Computer Application) Masters of Business Administration (MBA in Finance). Overall it was a session that gave students idea about how to go well in planning their career.

We propose to collaborate with your esteemed college to train, assess and certify students on tally CA and make them job-Ready. Tally certification includes relevant concepts and application of Accounting, inventory, taxation and GST compliance to provide a platform to candidates to enhance their employability and simultaneously offer assurance of skilled resources to the potential employers.

We strongly believe that welfare of your students is your primary mission and towards fulfilling this mission we would like to join hands with you in this noble endeavor and solicit your support for conducting the GST Compliant Chartered Account. CA Training and Certification programme to make your students JOB-READY. Please feel free to contact the undersigned for any further information or clarification.

Dear Sir/ Madam,

Greetings from PRIST Deemed to be University!

Subject: Request for Permission for Industrial Visit

I am writing to request your kind permission for an industrial visit to your esteemed organization on October 20, 2021, as per our university's norms. Our students are eager to visit a reputable organization like yours to gain practical exposure and insights into real working environments.

We anticipate a total of 25 students, accompanied by 2 staff members. We would appreciate your prompt approval so that we can finalize our visit program.

Thank you for considering our request. Please feel free to reach me at pristnewcsetnj@gmail.com for any further information.

Thanking you sir,

With Regards

ONE-DAY SEMINAR ON "BIO-MANUFACTURING"

Report on the One-Day Online Seminar on "Bio-manufacturing"

The Department of Biological Engineering, Inha University, Inha-ro, Incheon, Republic of Korea, organized a one-day online seminar on "Bio-manufacturing" on 05.08.2021 for the UG and PG students of the School of Arts and Science, PRIST Deemed to be University. A total of 138 students and staff members attended the event. The seminar began with an inaugural address by Dr. J. Ilamathi, Assistant Professor, Department of Biotechnology, School of Arts and Science, PRIST Deemed to be University. Dr. L. Chinappa, Dean of the School of Arts and Science, PRIST Deemed to be University, Vallam, Thanjavur, delivered the presidential address.

The resource person for the seminar was Prof. Dr. Yun-Suk Huh, Professor in the Department of Biological Engineering at Inha University, Incheon, Republic of Korea. His presentation provided an in-depth understanding of Bio-manufacturing and its critical role in economic development, with a special emphasis on the importance of Bioenergy. The event fostered valuable discussions between students and the resource person, enhancing their knowledge and sparking further interest in the field. The seminar concluded with a vote of thanks delivered by Dr. N. Arunkumar, Assistant Professor, Department of Biotechnology, PRIST Deemed to be University, Vallam, Thanjavur. The event was highly beneficial for the participants, broadening their understanding of bio-manufacturing and its applications in today's world.
